PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 27 You shall reside in a residential reentry center (RRC) for a period of up to 90 days. You shall abide by the rules and requirements of the facility and shall participate in programs offered by the facility at the direction of the supervising officer.

CAUSE

Patrick Wapato is currently residing at Geiger Corrections Center as a result of the Court's order authorizing a 180-day public law placement. He is scheduled to release from the RRC on or about December 18, 2009.

It was anticipated by allowing Mr. Wapato to participate at the Residential Reentry Center (RRC) for the designated period, he would address mental health, chemical dependency and sex offender therapy issues while developing a release plan appropriate for transitional purposes. Mr. Wapato has been unable to establish a stable residence or secure employment to date. He is attempting to secure housing in the Spokane area. Patrick Wapato has requested additional time in the RRC to develop a suitable release plan. If the Court concurs with the request for modification, he will release from the RRC on or about March 18, 2010.

It is respectfully recommended that the attached waiver of hearing to modify conditions of supervised release be adopted extending Patrick Wapato's stay at the RRC for an additional period of up to 90 days. It is also recommended that Mr. Wapato be allowed to transition to his residence immediately, once secured.
